

# **RURAL MUNICIPALITY OF SOUTH CYPRESS**

## **Village of Glenboro**

### **Municipal/Village Recycling**

**Don't sort them.**

**Don't tie them.**

**Just empty them and toss them in loose.**

**And no plastic bags please!**

### **You can recycle:**

- #1 PET, #2 HDPE, #4 LDPE, #5 PP and #7 plastics and plastic containers, including clear plastic pop/water bottles, milk jugs, food containers, detergent bottles, squeezable bottles, margarine/yogurt and water cooler bottles
- aluminum drink cans
- steel (tin) food cans
- milk and juice cartons
- juice boxes

- newspapers, advertising flyers and junk mail
- magazines, catalogues, phone books, household/office paper, shredded paper and envelopes
- cardboard egg cartons and paper tubes
- flattened cardboard, no more than 1 metre in any direction, e.g., cereal, cracker, tissue, laundry, shoe and shipping/packing boxes

## Common items you can't recycle and will not be accepted:

- **glass jars and glass bottles**
- **#3 & #6 Plastics**; such as: plastic bags, plastic packaging materials (styrofoam, plastic wrap), PVC (poly vinyl chloride) and cellophane
- household hazardous waste containers, such as antifreeze, motor oil, and bleach and you can identify many hazardous waste products by the following danger symbols, e.g., corrosive, explosive, poison and flammable, such as batteries, oil, lubricants and paint.

■ Corrosive Explosive Poison Flammable

- aluminum foil or foil pie plates
- foil or foam takeout food containers
- foam packaging, foam egg cartons or foam meat trays
- mirrors, window glass or light bulbs
- drinking glasses, ceramics or cookware
- appliances & electronics
- furniture
- metal items
- construction debris, such as wood, lumber, household fixtures, windows, siding, shingles etc.

## Recycling tips:

- Don't tie materials together as the processing facility can't remove bags, string, wire, etc.
- Leave lids on containers, caps on bottles, staples in paper, labels on containers and windows in envelopes.
- Give your containers a quick rinse to get rid of bacteria and odours.
- Crush plastic bottles, milk jugs and milk and juice cartons to leave more room in the recycle container.

## Recycling is Easy!

All you have to do is place your recyclables (again only those items that we can recycle) into the Community recycle container. The *Waste Management* collection truck will empty the container on a regular basis. But remember, **no glass bottles/jars**, no plastic bags please! Don't put plastic bags inside the recycle container, don't put plastic bags outside the recycle container and don't put your recyclable items in a plastic bag.

For more information on recycling, please contact the Municipal Office @ 827-2252 or Village Office @ 827-2083 during regular business hours.

**Good for our community! Good for our planet!**
