The Glenboro Area Foundation Inc. – Mature Student Scholarship Application

The Glenboro Area Foundation Mature Student Scholarships are available to students that are pursuing a post-secondary education in the health care field. Priority will be given to students that are entering their second year or beyond of a recognized health care program and have plans to return to rural Manitoba or the Glenboro area for employment. Submit complete application to the above address, or glenborofoundation@gmail.com, by December 31st.

Name of Applicant _____

Address _____ Postal Code _____

Phone numbers _____ (res) _____ (cell) Email _____

Post-secondary program of study _____

Post-secondary institution _____

Projected year of graduation _____ Student number _____

Date of entry into current program _____ Note: If prior entry into a degree program had taken place and then have now entered into a specialty field, please include your initial entry date into the first program of study _____

Plans for employment after graduation:

Please attach to this application the following:

1. A current academic transcript
2. Current Resume
3. A cover letter that explains why you feel that you would be a suitable candidate for this scholarship. Include your current professional career/academic goals and why you are currently in your program of study. Finally include a brief history of yourself that indicates how you decided to go into this program and how you have been involved in helping our community or other people in the past. Note: use current APA essay format.
